

REASON

Before you buy a mowing machine or any other farming implement you should first of all see that you have selected the best, next see that the agency is well established, and that the agents are permanently in business. If not in a year or two the agents take on another machine or go out of business. Then your machine is useless—you cannot get repair parts. Just one of many reasons why you should buy the McCormick. It is the most permanently established agency in this region—you are always sure of getting any part wanted, and you have a machine recognized as the best made.

Help San Francisco By Coming Here to Trade

We will allow all our customers 10 per cent on all their purchases during the following three days:

Saturday, Monday and Tuesday,

April 21, 23 and 24 to be put in a safe to be placed on our counter.

At the end of the three days it will be taken down to the bank and opened and to the amount found therein, we will add just that much more from our store, the whole to be given to the relief committee to be forwarded to San Francisco at once.

LAST OF C. S. A. CONGRESS.

Colonel Thomas Johnson, veteran of the Mexican and civil wars, and said to be the last surviving member of the Confederate congress, is dead in Mount Sterling, Ky., aged 92 years. He had served several terms as state senator and representative. Colonel Johnson, who leaves a large estate, was born in Baltimore, his family moving to Kentucky when he was a child.

BAD WRITING NOW.

Colonel Edwin H. Hay, in addressing the Washington Bank Clerks' association last week, said: "I think we have the crudest handwriting in the cabinet now that we have had in many years. We do not see now the beautiful writing that was so common in the time of Alexander Hamilton and George Washington. The trouble is we are all in a hurry."

HONORS HARVARD PROFESSOR.

Professor C. R. Lannan of Harvard university has been elected an honorary member of the Societe Asiatique of Paris. The society was founded in 1821 and since that time only twenty-nine men have been put on the honorary list. Professor Lannan has also been made a member of the Royal Society of Sciences of Gottingen.

How Japs Keep Strong

Republican Readers Can Learn Something of Value from This.

Such a thing as a weakling is hardly known in Japan. The wonderful endurance of the Japanese soldiers and sailors in the recent war has been the marvel of all nations. Both men and women are well, happy and strong.

The reason for this, so careful investigators tell us, is that the Japanese from childhood up know how to keep well through care of the digestive system. If they have trouble with indigestion, heart burn, wind on the stomach, loss of appetite, sleeplessness, headaches, rheumatic pains, back aches, or any of the other troubles caused by a weak stomach, they treat themselves with some of the principal remedies that compose Mi-o-na, a stomach remedy that has already a large sale in Phoenix at H. Goodman's.

So uniformly successful has the remedy been in curing all stomach troubles where it is used, in accordance with the simple directions given with each box, that H. Goodman gives a signed guarantee with every 50 cent package to refund the money if Mi-o-na fails to benefit.

He takes all the risk. If you have any stomach weakness, are nervous or fear that some article of food will cause trouble and indigestion, here's the opportunity to get well without risking a cent. Those who use Mi-o-na are able to eat anything digestible without fear of ill results.
